

The Magazine Tidig Musik (Early Music) is the only magazine in the Nordic countries focused on early music, that is the music from antiquity through the early romantic period. Tidig Musik contains up-to-date reporting, debates, interviews and scientific articles along with information about concerts, festivals and courses. The magazine is aimed toward those who are curious about early music as well as those who work in early music. The magazine has a circulation of 800 and is published quarterly.

Ad formats and prices		SEK
